

II INTERNATIONAL CONFERENCE

Semiotic Studies, Discursive Genres and Education in Contemporary Times - SSGCE

June 5 - 7, 2019

State University of Amazonas

Manaus - Amazonas/Brazil

FIRST CALL

1. Presentation

The research group *Multiple Languages, Semiotics and Discourse in Contemporary Times* is pleased to announce the II INTERNATIONAL CONFERENCE, in Semiotic Studies Discursive Genres and Education in Contemporary Times at State University of Amazonas, the largest multi-campi University of the country. The event will be held in Manaus, in June, from 5 to 7, 2019.

This research group has been bringing together researchers who have already operated in *multissemiótica*, transdisciplinary areas and professionals who have their research lines as an object of interest, to discuss and disseminate issues into the group, and its subareas related to new discursive genres. It includes digital genres, semiotic studies, education and several contemporary questions. The research group has as leaders Dr. Neiva Maria Machado Soares and Dr. Socorro Viana de Almeida.

The event aims to keep on the dialogue that has already started with the First Conference, through partnerships in the fields of Semiotics, Linguistics, Multimodality and Critical Discourse Analysis and its aspects, approaches that have begun to arouse interest in researchers from the State University of Amazonas, specifically the ones in "*Curso de Letras*", undergraduate and graduate levels. The First Conference was a well-known event at the State University of Amazonas due to participation of national and international researchers. As a result of the event we have had the publication of the annals with all summaries of the papers, as well as the book *Análise em Discurso: Semiótica e Multimodalidade*, by UEA publisher.

This Research Group - SDisCon - Multiple Languages, Smiotics and Discourse concentrates four research lines, such as: 1) **Multimodality and Crítical Discourse Analysis**, coordinated by Dr. Neiva Machado Soares ; 2) **Inter (Semiotics) Literature, Culture and other Arts**, under the coordination of Dr. Socorro Viana de Almeida; 3) **Systemic Functional Linguistics SFL and its theory-based approaches (Critical Discourse Analysis- CDA,**

Translation Studies, Second Language Acquisition, Multimodality), coordinated by Dr. Vanúbia Araújo Laulete Moncayo. All of them from the State University of Amazonas.

4) **Text, Speech and Cognition**, under the responsibility of Dr. Adelson Florêncio de Barros and Dr. Maristela Barbosa Silveira e Silva.
